

ASSEMBLY BILL

No. 1129

Introduced by Assembly Member Hagman

February 27, 2009

An act to amend Section 12027.1 of the Penal Code, relating to firearms.

LEGISLATIVE COUNSEL'S DIGEST

AB 1129, as introduced, Hagman. Firearms: concealed firearms.

Existing law provides for the revocation for good cause of an identification certificate or an endorsement on the certificate authorizing a retired peace officer to carry a concealed and loaded firearm, as determined in a hearing, as specified.

This bill would provide a procedure for the temporary revocation of an identification certificate or an endorsement on the certificate authorizing a retired peace officer to carry a concealed and loaded firearm for conduct that compromises public safety. The bill also provides a hearing process to determine if the temporary revocation should be made permanent. The bill further provides for the waiver of the right to a revocation hearing and for the surrender of the identification certificate, as specified.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:
